General statement that may be read before Citizen's Presentations:

Citizens are offered an opportunity to address the board without prior approval. However, as the subject matter may not be on the agenda, the board cannot engage in discussion, and board action cannot be taken. Presentations shall be informative only. You shall not mention student names, unless you are naming your own child, nor shall you negatively reference District employees. The board requests that presentations not include statements that may be considered defamatory. If your presentation includes a complaint or negative comment and you name a district employee, or if you mention students by name, I will find you out of order and will terminate your presentation. You are advised to follow the proper channels set out in district policy to seek an administrative resolution before bringing the matter to the board. Presentations shall not exceed three minutes, and persons may not relinquish time to another speaker.
