

# A Butterfly's Life Cycle

1. Color the pictures.
2. Cut along the bold lines so that you have four separate pictures.
3. Lay out the pictures in the proper order to show the life cycle of a butterfly.
4. Paste the pictures onto a sheet of green paper.
5. Write the title, "A BUTTERFLY'S LIFE CYCLE," at the top of the green paper.
6. Put your name on your paper.
