

Updating your computer is a two step process.

Step 1 – updating your password

Step updating your computer through the District Wi-Fi network.

Instructions for both stops can be found below.

STEP 1

New Password Protocol Effective Monday July 19, 2021

You must change your password as follows:

Turn on your computer and do the following

- **Username:** same as always
- **Password:**
 - **Protocol: #xxxxx_LF**
 - xxxxx = student ID
 - L = 1st initial of last name
 - F= 1st initial of first name

Example: Students name is Jorge E. Hernandez-Torres – Student ID: 59987.

The new password for this student is **#59987_HJ**

You must use the ‘#’ and the ‘_’ and initials are capitalized

You must use your username not the local Patriots login.

If you have issues logging in please call 926-4121. This number is only for password change issues.

STEP 2

After changing your password you must update your computer by connecting to the District WI-FI Network.

You can do this one of two ways:

1. **Go to the parking lot of the nearest Clint ISD school with you fully charged computer. Log on and connect to the wi-fi.**
 - a. **Once you’re on open the internet and a few files.**
 - b. **Shut down (Don’t close your computer you must shut down) and wait for your computer to update.**

OR

2. **You can come to CECA (a schedule and instructions will be sent at a later date).**

You must update your computer before the first day of school on Aug. 2nd. Failure to do so will make it difficult for you to engage in your classe.
