

Welcome Back!

Please remember that CECA students return on Monday, August 2, 2021. Our classes begin at 8 AM. Everyone must return to the campus on the first day because of the crucial tasks that students and teachers must complete this week.

All students will begin the day in the gymnasium for an important meeting with Dr. Edmond Martinez, where he will discuss college enrollment for 9th and 10th-graders and graduation and college transition for 11th and 12th-graders.

IMPORTANT:

All students **MUST** bring their fully-charged laptops the first day and every day. The laptops are as crucial as a pencil and paper were two years ago. Also, students **MUST** check their Clint ISD email daily to receive vital information from the teachers and Dr. Martinez.

We are excited to have our students return and for the student and teacher potential, which we will exercise with vigor.
