

Clint Independent School District

We know that during these times, it is crucial for parents, students, teachers and the community in general to receive timely and accurate answers to their questions and more importantly, academic support while learning at home. Clint ISD is doing everything we can to serve you by providing you with this list of **cell phone** numbers of Clint ISD administrators and academic staff who will be readily available to assist you.

These are very challenging times for all of us, but as the Superintendent, I am inspired to see us come together to support, protect and help one another. Thank you so much for your continued support by trusting us with the education of your children.

I am available to serve you 24/7.
Dr. Juan I. Martinez (915) 490-3746.

Please note: These phone numbers are provided for parents, students and district employees to facilitate and assist in the delivery of instruction while the district is closed down due to Covid-19 Pandemic. Please refrain for calling for any other purpose unless you have consent.
