

WHAT IS A SCHOOL-PARENT-STUDENT COMPACT?

Our School-Parent-Student Compact is a written agreement between teachers, school staff, administrators, parents and students. It provides an opportunity to create new partnerships in your school community. Our compact serves as a clear reminder that all members of a school community – teachers, school staff, administrators, parents, and students – share responsibility for student learning.

- Our school will involve parents in an organized, ongoing, and timely way in the planning, review, and improvement of the compact, at least annually.
- Parents can provide feedback on the compact at any time during the school year. Please call **Felipe Cortez – Assistant Principal**

JOINTLY DEVELOPED

The parents and staff worked together to develop the school-parent-student compact at the beginning of the school year (August).

Parents are welcome to provide feedback throughout the school year. All feedback provided will be collected and reviewed during the annual revision of the School Policy and School-Parent Compact meeting with parents.

SCHOOL GOALS

Each school year the principal meets with a committee of stakeholders to develop, review, and revise the Campus Improvement Plan (CIP). The purpose of the Campus Improvement Plan is to align goals, objectives, strategies, and actions, which will lead to high levels of performance for all students, close achievement gaps, and support systematic change.

The committee has reviewed the student performance objectives and have selected the most important area(s) of improvement for our school. Our school will concentrate on the following area(s) to improve the academics performance of students:

- Provide time for teachers to collaboratively plan rigorous student-centered lessons, common formative assessments, and drill down data to evaluate student work and progress. All students will improve their math scores on the STAAR by 5% per year for the next 2 years.
