Dress Code In General:

The district's dress code is established to teach grooming, hygiene, instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority. Students shall be dressed and groomed in a manner that is clean and neat and that will not be a health or safety hazard to themselves or others. In order to maintain an orderly environment conducive to the attainment of the educational mission and purpose of the district, students shall be required to conform to a reasonable dress and grooming code. The provisions of the dress and grooming code shall be enforced equitably regarding all students. The district stresses moderation in dress and the avoidance of distractions in the classroom. Any student inappropriately dressed shall be given the opportunity to correct the problem or be subject to appropriate discipline consequences. Parents may bring students appropriate clothing. The Board of Trustees has determined that the use of school uniforms will improve the learning environment and has adopted the use of student uniforms as specified in the rules. The district prohibits any clothing or grooming that, in the principal's judgment, may reasonably be expected to cause disruption or interference with normal school operations. A campus handbook may list specific examples of appropriate and inappropriate clothing, hair, jewelry, or manner of dress within the scope of the Student Code of Conduct. The student and parent may determine the student's personal dress and grooming standards, provided that they comply with the general guidelines set out above and the district's dress code for students in the Student Code of Conduct. The principal, in cooperation with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity. Students who violate those standards may be removed or excluded from the activity for a period determined by the principal or sponsor and may be subject to other disciplinary action.

All Students - The following guidelines shall apply to all students:

1. No baggy style pants shall be allowed. Pants or jeans shall not be baggy or exceed three (3) inches of excess fabric at mid-thigh and must be worn no more than 1" below belly button. Pants or jeans may be frayed if they do not draw undue attention, show any visible skin, or if the frayed portion is from the student's waist to the thigh area. The frayed areas should be minimal and any student who has gaping holes due to the frayed areas will change. Students may wear undergarments under frayed pants but must still meet the criteria above. Hardship cases shall be referred to the counselor. Pants will not be excessively tight (to include, but not limited to, "jeggings") for all students.
2. The district prohibits pictures, emblems, or writings on clothing and/or personal property, and/or articles to include, but not limited to, necklace, earrings, backpacks and purses, etc. that are determined by the administration as: a. Lewd, offensive, vulgar, or obscene, b. Displaying advertising depicting tobacco products, alcohol beverages, drugs, or other substances prohibited by district policy, c. Evidence or membership of affiliation in any gang/crew. Since such evidence fluctuates, a list of specific apparel not otherwise prohibited by the "Dress for Success" dress code that is considered by the administration to be evidence of gang affiliation will be made available to all students in the campus office.
