

# Putting Child Nutrition First

## Parent Newsletter

Our foodservice program is committed to the nutritional wellbeing of every student. At SFE, we believe that ALL students deserve delicious, fresh-from-scratch meals that they love--so they are ready to learn and nourished to reach their highest potential.

Thanks to the entire Clint ISD staff, as we work together to create fresh-from-scratch meals that our students love!

## Did You Know....?

Research shows that participation in a school breakfast program of some kind is closely associated with significantly better performance during school!

That's why SFE makes it a priority to offer a wide variety of programs to ensure that students get the nutrition they need to succeed in class-- all day long. By also focusing on fresh-from-scratch cooking and consistently offering plenty of fruits and vegetables at each meal, we give students extra opportunities to get the nutrients they may be missing.

We want every student to be nourished to learn-- and ready to do their best!

### What's for lunch?

SFE introduces Nutrislice: an interactive, online way to view your child's school menus.

- View images and descriptions
- View nutrition information for each food
- Filter the menu for specific food allergens
- Access menus with the Nutrislice mobile app!
- Rate foods and see carb counts

Fully interactive menus are available online at <https://clint.nutrislice.com/menu/> or via the Nutrislice app!
