The annual required continuing education is a basic obligation and expectation of any sitting board member under State Board of Education rule. Annually, at the last regular meeting of the Board Meeting held during a calendar year, the President shall announce, and the minutes must reflect, the name of each Board member who has completed the required training, who has exceeded the required hours of training, and who is deficient in the required training as of the date of the meeting. The President shall cause the minutes to reflect the information and shall make this information available to the local media. Education Code 11.159; 19 TAC 61.1(j) [See BBD]

The board president should certainly note that in the announcement and indicate the new member's intent to meet the first-year continuing education requirement in the next 12 months.

Update Reflects: TASB hours, Region 19, Annual Board Training by JCruz & Associates, and State Board of Education (SBOE).
