

Eligibility for Funding

Thursday, June 3, 2021 10:54 AM

Every student served by the Clint Independent School District during the school year is considered enrolled and *must* have an eligibility status in the ADA field of the student record (Since this field drives funding, please refer to the detailed instructions on how to enter ADA eligibility codes in the student system). The eligibility codes are as follows:

If the student is served instruction----	then the student-----	and should be reported with----
fewer than 2 hours (120 minutes) per day	is not eligible to generate ADA	ADA eligibility code 0
at least 4 hours (240 minutes) per day	is eligible for full-day attendance (is eligible to generate ADA)	ADA eligibility code 1
at least 2 hours (120 minutes) but fewer than 4 hours per day	is eligible for half-day attendance (is eligible to generate ADA)	ADA eligibility code 2
at least 4 hours (240 minutes) per day and meets the requirements to enroll as an Out-of-District transfer	is eligible for full-day attendance (is eligible to generate ADA). This status applies to a student who legally transfers from one Texas district to another Texas district and meets all eligibility criteria other than residency in the school district	ADA eligibility code 3
at least 4 hours (240 minutes) per day but who do not meet enrollment requirements	is not eligible to generate ADA	ADA eligibility code 4 <i>(full-day)</i>
at least 2 hours (120 minutes) per day but who does not meet the enrollment requirements	is not eligible to generate ADA	ADA eligibility code 5 <i>(half-day)</i>
at least 2 hours (120 minutes) per day but fewer than 4 hours and meets the requirements to enroll as an Out-of-District transfer	is eligible for half-day attendance (is eligible to generate ADA). This status applies to a student who transfers from one Texas district to another Texas district and meets all eligibility criteria other than residency in the school district	ADA eligibility code 6
